Notes: All height, width and depth dimensions are shown in inches. For a detailed listing of approved cooktop models for this installation please refer to oven installation instructions.

*Please refer to installation instructions prior to making cutout.

**Largest door.

†Add 1/16" height and 1/8" width for stainless steel models (S-Series only.)

All models are UL approved. Select 30" models are CUL approved for sales in Canada. For immediate critical installation dimensions by fax, use your fax handset and call (775) 833-3600. Use code #8030 for a directory of Thermador products.
